ODYSSEE-MURE

Third Training Workshop for the project
"ODYSSEE-MURE: Monitoring EU Energy Efficiency First Principle and Policy Implementation"

Introduction to the MURE Database and Facilities on Energy Efficiency Policies

14 December 2021, 9:00-11:30 Central European Time (CET)

Virtual Meeting

Time	Title	Speaker	Content
08:45 – 09:00	**Registration**		
09:00 – 09:15	Introduction	D. Bosseboeuf, Ademe	The ODYSSEE-MURE project. Background of the MURE policy database. What can it be used for
09:15 – 09:30	Overview of MURE policies	B. Schlomann, Fraunhofer ISI	What kind of policies is the MURE database aiming at? Are the measures evaluated?
09:30 – 09:50	MURE database	M. Reuter, Fraunhofer ISI	MURE database: overview. Online demonstration of the database.
09:50 – 10:00	Q&A		
10:00 – 10:30	MURE Facilities: Policy Mapper Successful Measure facility Multiple Benefits Facility	M. Reuter, Fraunhofer ISI	Presentation of the facility and possible applications. Link to the H2020 MICAT project. Online demonstration of the Facilities
10:30 – 10:50	Policy Analysis based on MURE	M. Reuter, Fraunhofer ISI	Presentation of the Policy Assessment Tool and how it builds on MURE
10:50 – 11:15	The European Scoreboard for Energy Efficiency	W. Eichhammer, Fraunhofer ISI	Online demonstration of the Scoreboard
11:15 – 11:30	General Q/A session
