ODYSSEE-MURE

**Third Training Workshop for the project
*"ODYSSEE-MURE: Monitoring EU Energy Efficiency First Principle
and Policy Implementation"***

**Introduction to the ODYSSEE Database and Facilities on Energy
Efficiency Indicators**

13 December 2021, 13:00-16:30 Central European Time (CET)

Virtual Meeting

Time	Title	Speaker	Content
12:45 – 13:00	**Registration**		
13:00 – 13:15	Introduction	D. Bosseboeuf, Ademe	The ODYSSEE-MURE project. Background of ODYSSEE indicators. What are they?
13:15 – 13:35	Overview of ODYSSEE indicators	B. Lapillonne, Enerdata	How to measure and select the right indicators by sector and end-use?
13:35 – 13:50	ODYSSEE database	M. Rousselot, Enerdata	ODYSSEE database: overview of data. Online demonstration of the database.
13 :50-14 :00	Q&A		
14:00 – 14:20	Source of detailed data	EIHP	Example of surveys in household, transport
14:20-14:30	Q&A		
14:30-14:45	Coffee break		
14:45 – 15:00	Use and misuse of macro-economic indicators	B. Lapillonne, Enerdata	Focus on the most usual indicators: what they can show and what are their limits.
15:00 – 15:30	Case studies on simple indicators	Enerdata	ODYSSEE case studies 1 & 2 (for more detailed study after webinar).
15:30 – 16:00	Introduction to advanced indicators	B. Lapillonne, Enerdata	
16:00 – 16:15	Advanced indicators in ODYSSEE facilities	Enerdata	Short online demonstration of ODYSSEE facilities
16:00 – 16:30	General Q/A session
